

THRESHOLD RETREAT

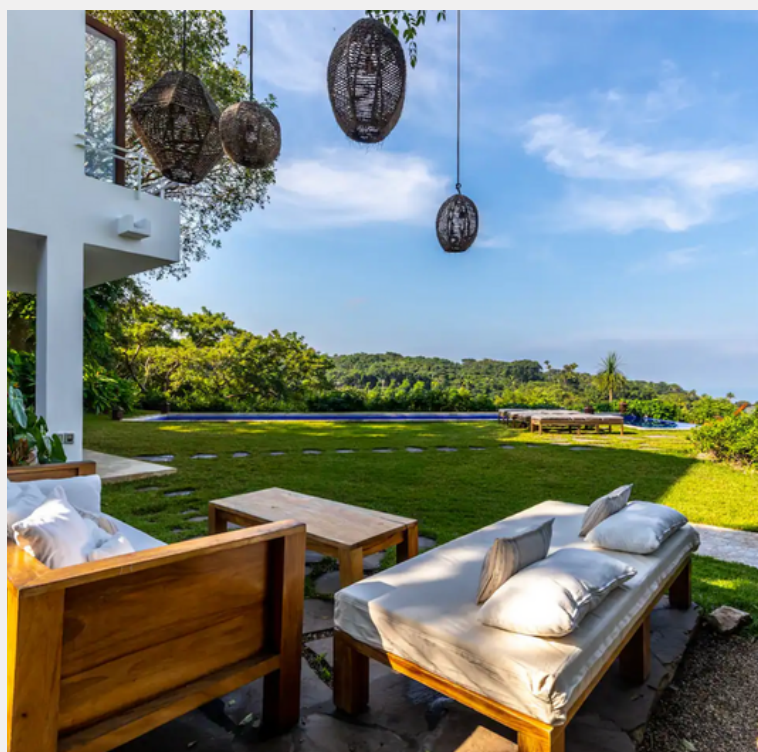

5 days in paradise

This is your in-person initiation. The official crossing from Maiden to Mother.

Seated at the edge of an ecological preserve 20 minutes north of Sayulita, Villa Papellilos is a magical oasis for your emergence out of the Underworld.

Includes all accommodations and meals.

YOUR FINAL RITE OF PASSAGE

Imagine ...

- starting every morning in song together.
- being seen in all your mother glory by women who have been with you in your underworld journey for 9 months
- rituals that honor your body, your voice, and your power
- the sacredness of your body illuminated by candlelight
- naked swims at the edge of paradise
- gourmet meals nourishing you while the birds sing

All in a place that is wildly alive with the Feminine.
